Subject: Delay in Receipt of Proxy Materials

As mentioned in a prior email update, proxy materials related to the unitholder/shareholder vote regarding the merger with Berry Petroleum have been sent to all unitholders. However, there has been a delay in processing and mailing proxy material for employees' restricted units. We expect those materials to arrive to you shortly, but if you have not received your proxy materials for your restricted units and you would like to go ahead and vote, please review the proxy material electronically (a link to which is available at the top of the home page of the LINN website) and call Laurel Hill Advisory Group (888-742-1305) to obtain assistance in voting your units.

Please be sure to exercise your right to vote on the merger, as well as the other items listed in the proxy materials, before 11:59 p.m. Eastern Time on December 15, 2013.

If you have any questions related to the proxy materials or upcoming meeting, please contact me or Ben Paul in the legal department.

Thanks,

Candice J. Wells
Vice President, General Counsel and Corporate Secretary
