Item 1.01 Entry into a Material Definitive Agreement.

On December 17, 2019, Berry Petroleum Corporation (the “Company”), as Parent and Guarantor, and its subsidiary Berry Petroleum Company, LLC, as Borrower, entered into an amendment to its Credit Agreement with Wells Fargo Bank, National Association, as Administrative Agent and as Issuing Lender, and the Lenders named therein, dated as of July 31, 2017, as amended. The purpose of the amendment is to provide the Company with flexibility in connection with any repurchase of certain of the Company's indebtedness consistent with its ability to repurchase its equity. The amendment now permits the Company to repurchase both if, among other things, availability is equal to or greater than 15% of the elected commitments or borrowing base, whichever is in effect, and the Company's pro forma leverage ratio is less than or equal to 2.75 to 1.00.

The description above is qualified in its entirety by the amendment, which is filed as Exhibit 10.1 to this current report on Form 8-K and is incorporated by reference into this Item 1.01.

The Company undertakes no duty or obligation to publicly update or revise the information contained in this report, although the Company may do so from time to time as management believes is warranted. Any such updating may be made through the filing of other reports or documents with the SEC, through press releases or through other public disclosure including disclosure in the Investor Relations portion of the Company's website.
